

Directions: Circle the number indicating how strongly you believe in each of the statements.

DO YOU BELIEVE...

	no				yes
• <i>that these things can bring good luck?</i>					
1. throwing salt over your left shoulder	1	2	3	4	5
2. rabbit's foot	1	2	3	4	5
3. knocking on wood	1	2	3	4	5
• <i>that these things can bring bad luck?</i>					
1. the number 13	1	2	3	4	5
2. black cat crosses your path	1	2	3	4	5
3. walking under a ladder	1	2	3	4	5
4. opening an umbrella indoors	1	2	3	4	5
5. breaking a mirror	1	2	3	4	5
• <i>that these things are so?</i>					
1. that there are supernatural things that cannot be scientifically explained?	1	2	3	4	5
2. that some people have extrasensory perception (can know things without seeing, hearing, feeling, touching, or smelling them)	1	2	3	4	5
3. that some people can "cast a spell" over others or make others act in unusual ways	1	2	3	4	5
4. a person's character can be read from the lines on the palm of his or her hands	1	2	3	4	5
5. that some people today can be called witches and do have unusual powers	1	2	3	4	5

Do you think people's beliefs are: Helpful? Harmful? Dangerous? When do the beliefs of one person make a difference to another person? Are there any beliefs that everyone should have? What controls, if any, should a community have on the beliefs of citizens?
