Age of Revolutions

Unit 6

Napoleon Bonaparte

Chapter 18.4

A. Perceiving Cause and Effect. As you read about Napoleon, think about Machiavelli and his notion that “the ends justify the means”. Describe how Napoleon attempted to achieve the goals listed, the results and explain why you think it was a success or not.

Goal(s)	Action(s)	Result(s)	Success?
1. restore economic prosperity & stabilize prices			
2. comprehensive and uniform system of laws			
3. to crush the British fleet in order to pave the way for an invasion of England			
4. to financially cripple England by closing ports to British ships			
5. to liberate the people of Europe from absolute monarchs and spread the ideas of the Revolution			

B. Main Ideas. After reading chapter 18.4, complete the diagram below which will illustrate the decline of Napoleon and the new Europe.

nationalism

Spain

Austria

Russia

Waterloo

Results of the Congress of Vienna

Legacy of Napoleon
